

Case Problem: Blend in words and need interactive options

Patient Acc Interface:

1. Sa Login Interface especially sa Login as: Patient - Admin naay gastutter once mo click sa option

Login as

✓  Patient

 Nurse

 Doctor

 Admin

Log In

Some features may allow guest access

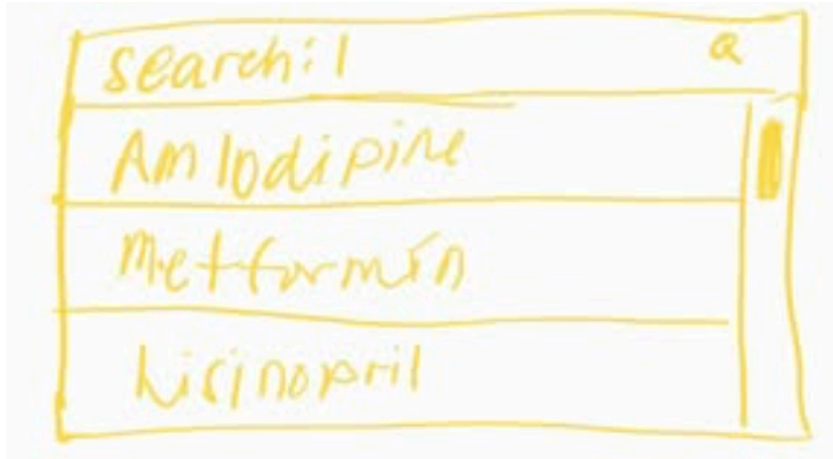

Access as a guest

2. Also Pwede pud ialign kani na part sa Login Interface

Pwede mo start dri sa 3rd box para same ang alignment

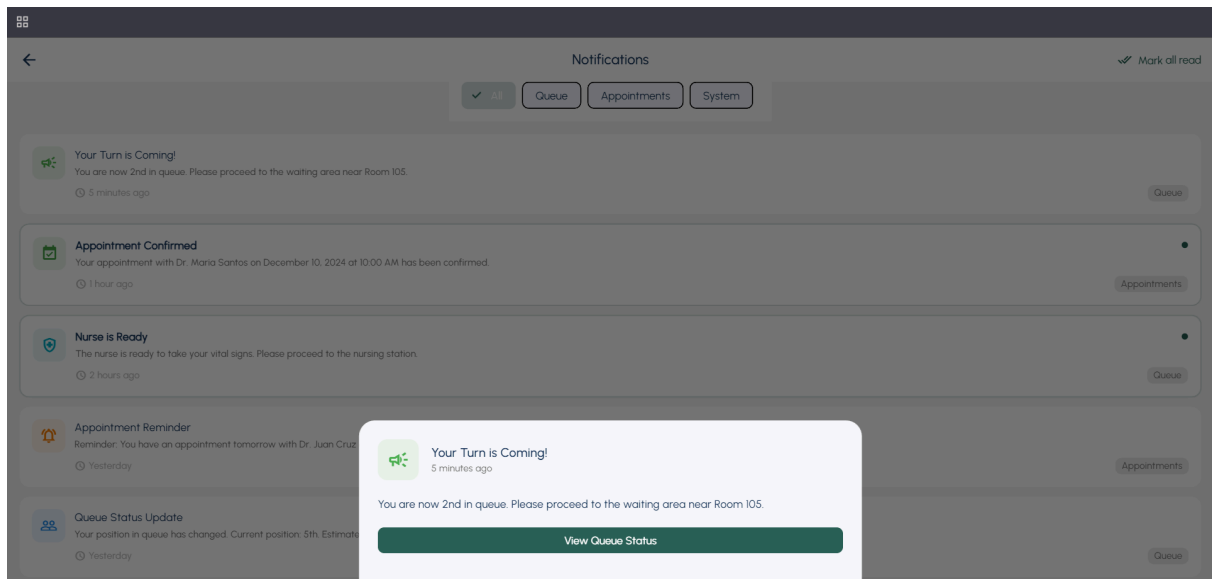

3. Pagsulod sa Patient Acc, once pagclick sa Medical Records -> Prescriptions. Naa kaning option button na Refill Request pwede maghimo og list of medications/medices? If possible lang like ani na sample:

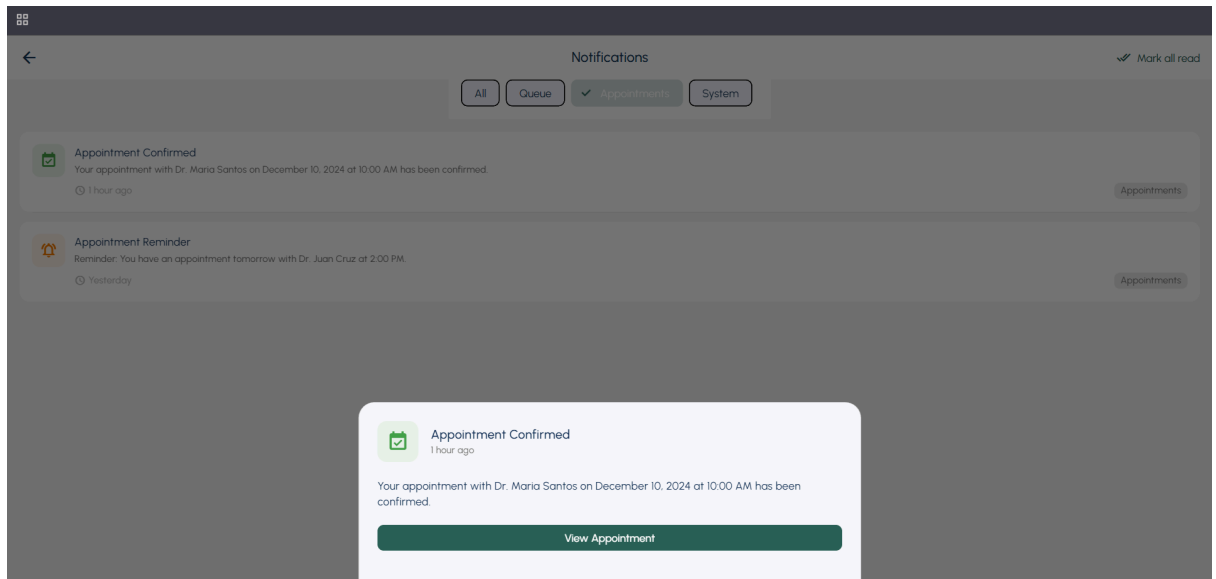

Random Names of Medications to be included:

Metformin, Lisinopril, Cetirizine, Amlodipine, Ibuprofen, Insulin, Losartan, Metoprolol, Vitamin B1, and Aspirin

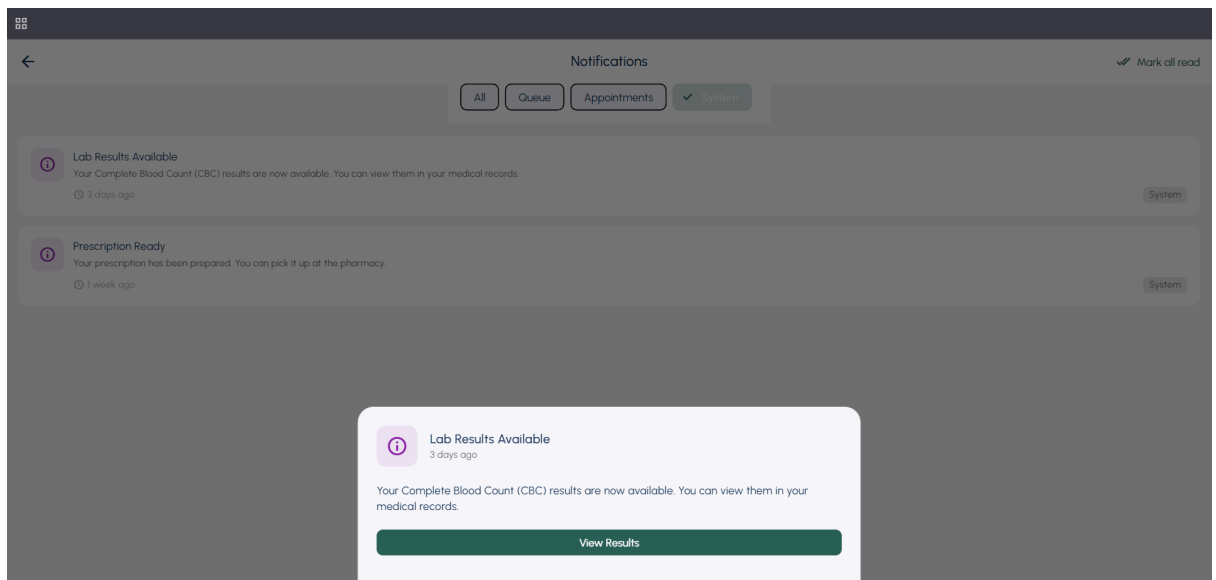

4. Dri dayon sa Notifications part pwede idirected sa Queue Status.

Also same pud sa View Appointment.

Also sa System -> View Results dapat directed to Medical Records: Lab Results.

Para makita nila unsa na ang Lab Results

Nurse Acc Interface:

1. Diri sa Queue Management sa pagcreate og New Ticket kani na case problem dili makita ang word/ na Patient Name, Contact No., and Visit Type. Also pwede dayon

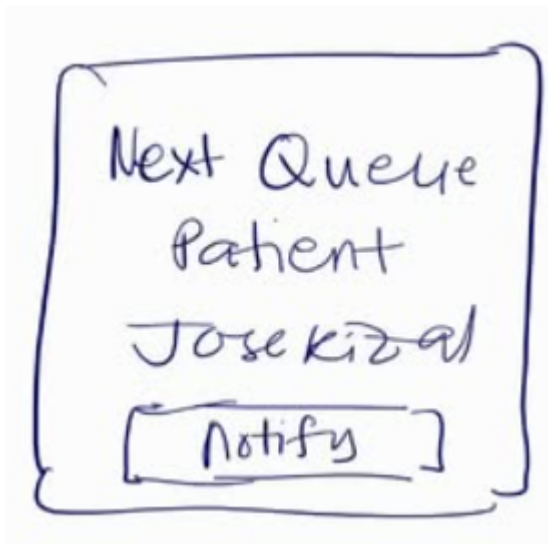

himoun og interactive typing and same sa Mark as Urgent button.

The screenshot shows a 'Queue Management' app interface. A modal titled 'Generate New Ticket' is displayed in the center. It contains three input fields for 'Patient Name', a phone number, and an address. Below these fields is a toggle switch labeled 'Mark as Urgent' with a red exclamation mark icon. At the bottom of the modal are 'Cancel' and 'Generate Ticket' buttons.

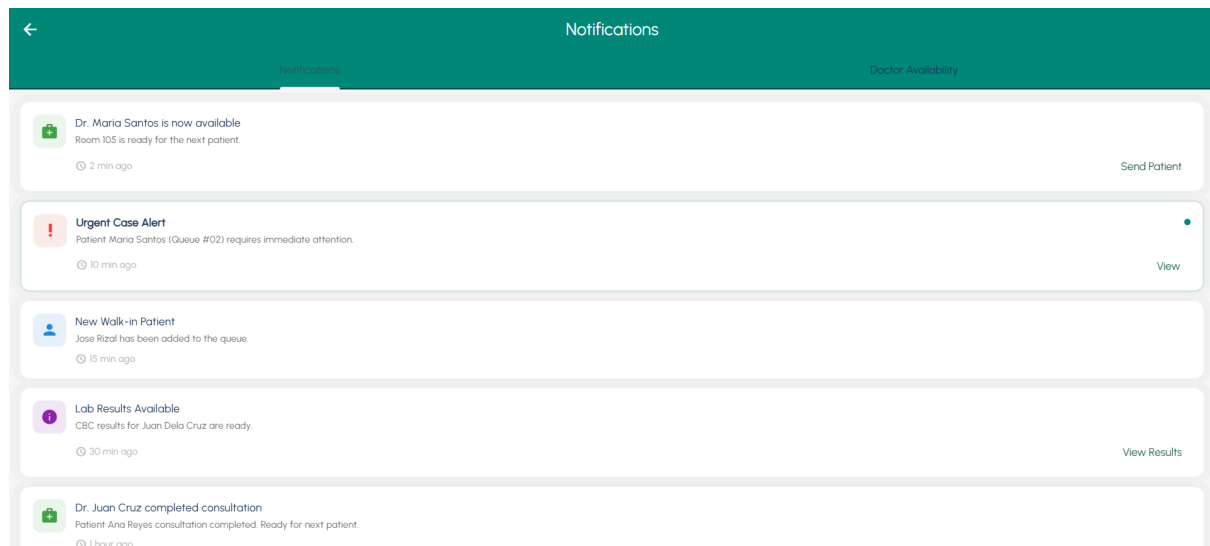

2. Sa Patient List same ang case problem pud na blend in ang words sa color na except sa Foward Button dili na ichange pud.

The screenshot shows a 'Patient List' app interface. At the top is a search bar labeled 'Search patients...'. Below it is a list of patients. The first patient is 'Ana Reyes' with status 'Waiting'. The second patient is 'Jose Rizal' with status 'Completed'. Below the patient list, detailed information for Jose Rizal is shown, including Age (62), Gender (Male), Contact (+63 920 III 2222), BP (125/82), Temp (36.6°C), and Weight (78kg). At the bottom are buttons for 'Edit Info', 'Vitals', 'Notes', 'History', 'Upload', and 'Forward'.

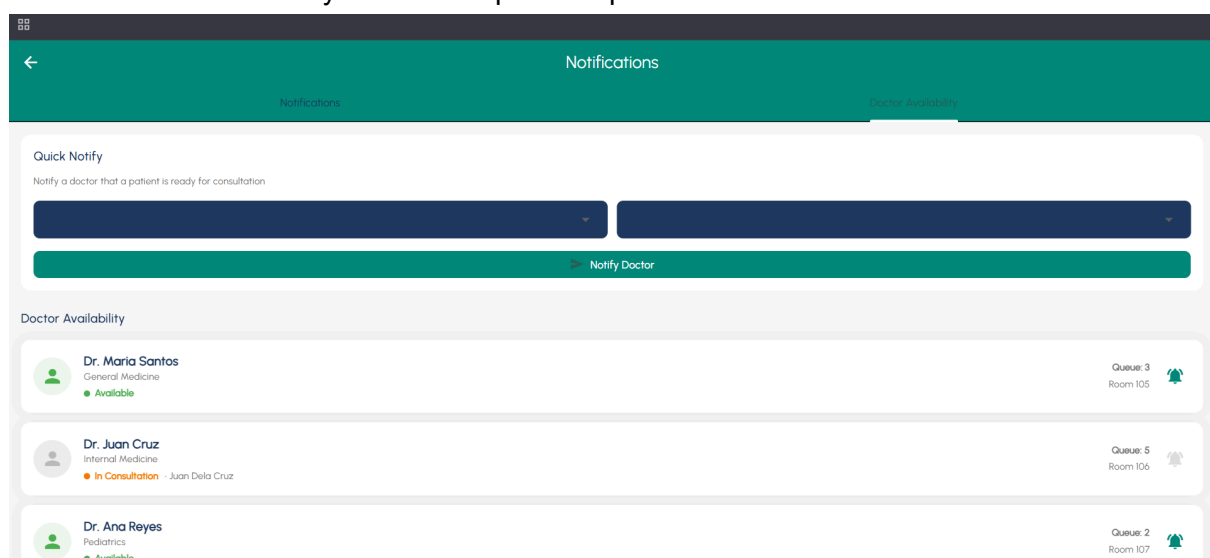

3. Sa Notifications dri dapat makita ang Send Patient Notif. Like naa box na mo appear if imo iclick ang Send Patient.

Also same case problem sa View og View Results

And sa Doctor Availability same case problem pud sa Patient Name and Doctor

Doctor Acc Interface:

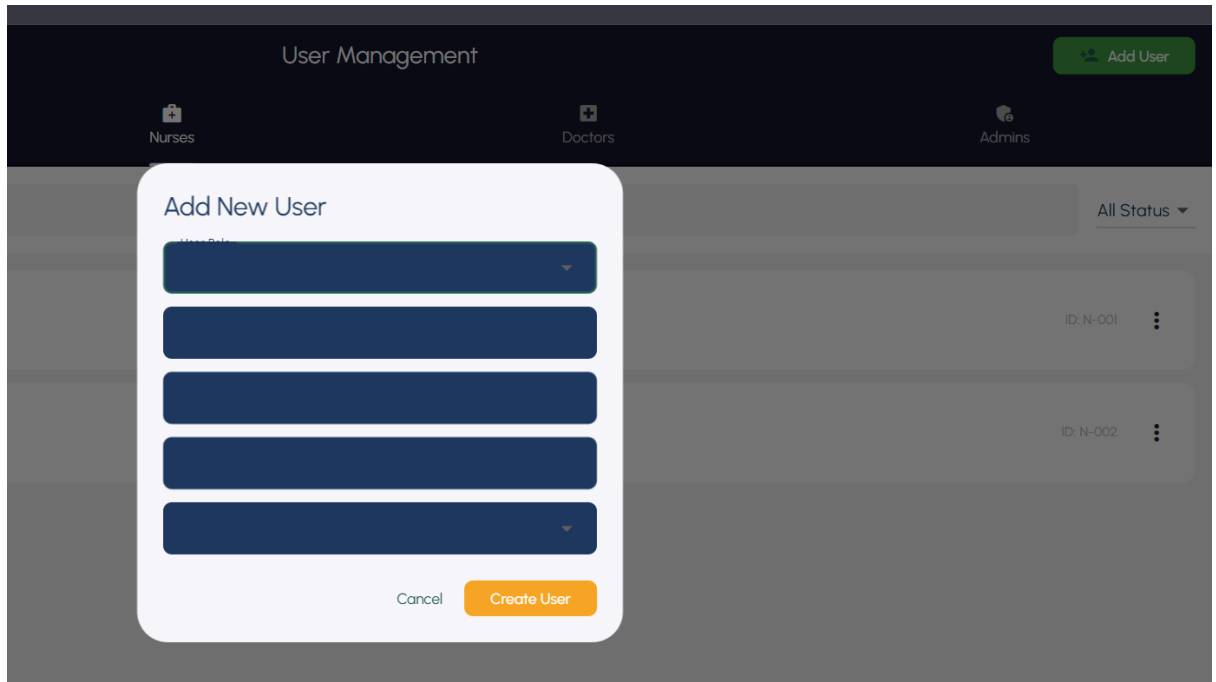

1. Sa Patient Queue -> Consultation same pud ang case problem blend in ang words and dapat naay interactive typing especially sa Prescription, Lab Order, Med. Cert., and Follow-Up, apil pud ang Documentations -> Upload Documentations. Beside ana, wala man kaayo ko comment sa Medical History.

The screenshot displays the 'Consultation' screen for a patient named Maria Santos, 32 yrs. F., Queue #02, marked as 'URGENT'. The interface includes a 'Patient Queue' sidebar on the left with a list of patients: Maria Santos (Follow-up checkup), Pedro Garcia (Cough and cold), Ana Reyes (BP monitoring), and Jose Rizal (Diabetes follow-up). The main area is divided into three tabs: 'Consultation' (active), 'Medical History', and 'Documents'. The 'Consultation' tab contains three input fields: 'Chief Complaint' (with 'Follow-up checkup' entered), 'Diagnosis' (with 'Enter diagnosis...' entered), and 'Assessment & Notes' (with 'Enter assessment and medical notes...' entered). On the right, there are buttons for 'Prescription', 'Lab Order', 'Medical Certificate', and 'Follow-up', each with a right-pointing arrow. At the bottom right, there is a green button labeled 'Complete Consultation'. Patient vitals are shown in the top right: BP 120/80, Temp 36.5°C, and Weight 65kg.

This screenshot shows the same 'Consultation' screen as above, but with an 'Upload Document' modal open in the center. The modal has a title 'Upload Document' and a 'Browse files' button with a cloud icon. Below the button is a dark blue dropdown menu. At the bottom of the modal are 'Cancel' and 'Upload' buttons. The background is dimmed, showing the 'Documents' tab with a list of documents: 'CBC Results' (Lab Result - Nov 25, 2024), 'Chest X-Ray' (Imaging - Oct 15, 2024), and 'ECG Report' (Diagnostic - Sep 10, 2024). Each document has an eye icon and a download icon. At the bottom of the screen, there is a text input field with the placeholder 'Upload Document'.

Admin Acc Interface:

1. So sa pagclick sa Add User -> User Management -> Patients, diri sa Patients makita ang All Status, once click pwede ma indicate each Option sa Active, Inactive, and Pending. Like pagselect sa Active magguwas ra Active Status ra, para organize ang options same goes sa Inactive and Pending. Also same pud sa Nurses, Doctors, and Admins. Beside ato, kaning Add User same pud ang case problem pop-up options.

2. Sa System Configuration: Schedules, Doctors, Departments, and Queue Rules naa pud same case problem sa uban.

Overall mao rana akong mga comments and additional adjustment and edits. Besides that, others are goods with no need to change it.
